## Books by Prof. Leander S. Keyser

Positive, evangelical. fearlessly apologetic but always fair to the opponent

THE PHILOSOPHY OF CHRISTIANITY. A Purposeful Book. Price, $2.25. The major purpose of this volume is to show that Christianity, based on the Canonical Scriptures, furnishes the only adequate and satisfying world view, and that, in that sense, it is truly a philosophy. From many viewpoints the author shows that the Holy Scriptures teach a philosophy that effectively explains the origin and continued existence of the universe and all its diversified phenomena, from those of the purely physical realm to those of the highest qualitative value. Here we have the solution of the fundamental problems of the Origin, the Purpose and the Destiny of all things; the Rationale of Creation, Preservation and Redemption.

This volume is probably Dr. Keysers magnum opus. It upholds the Christian system in its fullness and integrity.

MAN'S FIRST DISOBEDIENCE. Cloth, 84 Pages. Price, Net, $1.00. A constructive interpretation and positive defense of the historicity of the Biblical account of the Fall of Man.

"A book for the times."—"Serving and Waiting," Philadelphia, Pa.

"On the positive side, it is a real contribution to the subject of man's nature and first sin, with an instructive and helpful discussion of the first man's free agency, and its relation to the problems of his disobedience. The book is worthy of careful study."—"The Sunday School Times," Philadelphia, Pa.

A SYSTEM OF NATURAL THEISM. Second Edition, Revised. Cloth, 160 Pages. Price, Net, $1.35. In view of recent assaults on the Goodness of God, a more extended and adequate theodicy is presented than in the first edition. The insufficiency of the present-day mechanistic view of the universe is penetratingly exposed in harmony with the universal law of casuality. All the anti-theistic theories are here thoroughly analyzed and their inadequacy clearly shown.

On the positive side, Personalism in philosophy and Theism in religion are shown to converge in the maintenance of the same doctrine. The old and new theistic arguments are fully explored, all of them leading by a logical process to the conclusion that a personal, allwise and all-powerful God must exist and that He is the only adequate explanation of the varied phenomena of the universe. The divine attributes and relations are clearly set forth.

THE CONFLICT OF FUNDAMENTALISM AND MODERNISM. Paper Cover, 36 Pages. Price, 30 Cents. The book for everybody! This tract is a Handbook of Information. It tells you just what you want to know; that is, just what the Modernists believe and what they don't believe; ditto for the Fundamentalists. Thus you will find out why they cannot get together. And all of it is told simply enough for laymen as well as others to understand.

A SYSTEM OF GENERAL ETHICS. Cloth, 280 Pages. Price, Net, $2.00. This book by Dr. Keyser teaches the right kind of morality, the only kind that will stand the acid test of these crucial times. "Up-to-date," "Scientific," "Safe," "Sound," "Clear," "Strikingly Persuasive." Based on sound philosophical principles, and eminently timely and practical.

A SYSTEM OF CHRISTIAN EVIDENCE. Third Edition, Revised and Enlarged. Cloth, 266 Pages. Price, Net, $1.75. Well adapted as a college and seminary text-book; also profitable for general reading. Like a golden thread, running through the book, is a line of deep spiritual teaching that is certain to enrich every careful reader. Here is a sample: "Christian faith is begotten in the human heart by the Holy Spirit. . . . It is the gift of God."—From "The Defender."

A MANUAL OF CHRISTIAN ETHICS. Cloth, 133 Pages. Price, $1.25. The author maintains the highest ethical standards and champions the old moralities. There is no blurring of moral distinctions. The book is refreshing at this time when there is much loose thinking on religious and moral themes, and consequently a tendency to disregard the old ethical sanctions.

## Books by Dr. A. Z. Conrad

COMRADES OF THE CARPENTER. Price, $1.50. Written to proclaim God as the realest fact in the Universe, to reveal Jesus Christ as the daily comrade of Christians. Thoroughly constructive and inspirational.

"The book fairly scintillates with wise and uplifting sayings. For Spiritual edification it cannot be surpassed."—Prof. Leander S. Keyser.

SEVEN FINALITIES OF FAITH. Price $1.50.

"Possibly some book has been written which gives a more complete, pungent and inspiring defense of Evangelical Christianity, against the attack of modern rationalism and the various phases of unbelief so prevalent nowadays, than does "The Seven Finalities of Faith," the latest volume from the pen of Rev. A. Z. Conrad; if so, it has not come under the eyes of this writer. The pastor of Park Street Church has supplemented his previous books, "Jesus Christ at the Cross Roads" and "Comrades of the Carpenter" with this volume which is written with the vigor of phraseology and power of argument which is characteristic of his pulpit utterances. So solid is the argument, and so commanding are the subjects and method of treatment that it can not be read hastily with any profit. These messages stress in a constructive way the abiding realities of the Christian faith which make the only true basis for a life of happiness and service here and hereafter. The book will be welcomed by all Christians, in captivating and convincing reading, easily grasped.

"Rationalists and unbelievers may sneer at this, but they will encounter difficulties in answering it. To many evangelical Christians it will be a source of hope, comfort and inspiration. Even those who do not agree with all of the author's conclusions will find it entertaining and instructive."—Boston Transcript.

JESUS CHRIST AT THE CROSSROADS. Price, $1.25.

"Jesus Christ at the Crossroads" ought to waken up modern unbelief to the fact that it is riding for a fall. Dr. Conrad is a 'Knight of the King's Table' and comes out into the open not only to challenge the real enemies of Christ but to give them battle, assured of the victory Christ gives His witnesses. Every one who reads this book will thank God for it and be cheered by it."—Harris H. Gregg, D.D.

THE GOSPEL FOR AN AGE OF THOUGHT. Price, $2.00. The Christian quest for reality in the universe—this is the central theme of Dr. Conrad's new volume. No body of truth, he shows, is more completely validated in Christian experience than that presented in the Gospel of Christ. How the Gospel meets every known test of both rationality and reality and how it answers the soul's cry for freedom is told with satisfying freshness and dependableness.

**Special Price, $1.25, prepaid**

"The thinking is generally so clear, and the style so animated and luminous, that any person of average intelligence and culture may understand and enjoy the discussion; and no such person who has begun to read the work will be likely to rest satisfied till he has finished it. This book grapples directly with the vital questions. Every reader must admire its fairness."—*N. Y. Independent.*

## Christ and His Religion

By REV. JOHN REID. 12 mo., 311 pp., $1.50.

**Special Price, $1.00, prepaid**

Not an ingathering of threadbare suggestions, but a mine of fresh nuggests within the reach of all. There is a combination of depth of thought and simplicity of expression.

"Keen and clear conception of truth mark this volume. The author is a man of thought, and his calm and well-balanced views give a charm to his writing. There is strength of truth in every page."—*Christian Union.*

## Concessions of Liberalists to Orthodoxy

By DAN'L DOCHESTER, D.D. 344 pp., $1.50.

**Special Price, $1.00, prepaid**

This work was originally prepared as a course of lectures, and was delivered before the School of Theology of Boston University. It is worthy of all commendation for the extensive research shown by the author, and the presentation of the three cardinal topics: The Deity of Christ, the Atonement, and Endless Punishment.

"A rich army for offensive and defensive warfare against theological error."—*Religious Herald.*

"The doctor's style is singularly pure and candid, and the diction and dignity, scholarship and research is manifest in every page."—*West. Chris. Advocate.*

## Voices of the Soul Answered in God

By JOHN REID. 374 pp., 4th Edition, $1.50.

**Special Price, $1.00, prepaid**

The soul needs a way to reach God, a way to become holy, a way to become happy. Hence the book is divided into three parts; it shows how the wants of the mind can be met in a Redeemer, Restorer, and Satisfier. Meditation must come first, then restoration, then satisfaction.

"That the soul of man can find its hopes realized, its want satisfied, its fears quieted and its measures filled in God alone, is the leading thought of this calm and powerful book. The presentation is most serious, original and suggestive."—*N. Y. Observer.*

## Footprints of Sorrow

By REV. JOHN REED, 12 mo., 173 pp. $1.25.

**Special Price, $1.00, prepaid**

Not a devotional book, altho veins of devotion are found in it. It does not strictly relate to the afflictions of man, to piety on its sombre side, or to the absolute gloom of grief. It rather calls attention to certain phases of sorrow; giving shape to our consciousness upon the subject, and seeking to impress the mind in a way that seems right.

"The author considers his subject under all its aspects, first showing the source of sorrow, then the varieties of form it assumes, and its benefits and consolations."—*Christian Intelligencer.*

## Pivot Words of Scripture

By REV. PHILIP B. POWER, M.A. 353 pp., $1.50.

**Special Price, $1.25, prepaid**

A pivot being a small point on which something else turns, the title of this volume seems to be very descriptive of those little words of Holy Scripture upon which turns the actual interpretation of a passage, and to which we are indebted for some of the most powerful teachings of God's word, whether they relate to His mercy or His wrath, as in cases of "for," "through," "yet," "then," "but," "and."

"It is pointed, crisp, fresh, and dealing with live issues."—*Christian World.*

## Thanksgiving Sermons and Outline Addresses

AN AID FOR PASTORS

Compile and edited by William D. Ketcham, D.D. 12 mo., beautiful cloth, 329 pages—Sold by dealers at $1.50.

**Special offer, prepaid, $1.00**

The volume consists of Sermons and Outlines of Sermons and Address, by prominent clergymen of Europe and America and have been selected by the Editor with great care. The Christian minister is lacking in research and ill-qualified for his duty who fails to glean and appropriate from every field, with prayerful care all help available. Those who have often traversed the field in search of themes and material, and therefore, whose skill and wisdom in selection is matured, can well render to those of lesser experience wholesome aid. A single suggestion may open in the reader's mind an unexpected fountain of thought from which shall flow healthful reflection and appropriate discourse.

WHAT IS SAID ABOUT THE VOLUME

The Work is evangelical, unsectarian and thoroughly practical.—*Onward.*

A real aid. It suggests subjects and their treatment.—*Christian Standard.*

Thoroughly practical.—*Lutheran Observer.*

The work is able, evangelical and edifying.—*St. Louis Presbyterian.*

Very suggestive to all preachers, and particularly helpful to young men.—*J. W. Hamilton, D.D.*

Covers the entire scope of the service peculiar to Thanksgiving Day. Ripe with suggestions and fruitful with hints and helps, such as may start the student upon a track of his own.—*Central Christian Advocate.*

"The Greatest Bible Help Ever Published"

# The International Standard Bible Encyclopaedia

NEW EDITION

16 Page Maps in Colors. 40 Full-Page Illustrations
Five Volumes. 3,632 Pages. 700 Illustrations in all

JAMES ORR, M.A.,D.D., General Editor
MELVIN GROVE KYLE, D.D.,LL.D., Revision Editor

The first edition of the Encyclopaedia was as nearly perfect in its day as any such work ever has been.

**The Sunday School Times, January 27th, 1917, said: "The Latest, the Best, the Cheapest, and Yet the Best Example of the Printer's Art, is 'The International Bible Encyclopaedia.'"**

The new edition is immeasurably strengthened and strictly up-to-date. **Thoroughly Biblical. Altogether scholarly.**

At last the Clergyman, the Bible Student, the Sunday School Teacher, and the Layman can secure an unbiased and complete reference work on the Bible. An Encyclopaedia so thorough, so complete, so fair is indispensable to all serious students of the Bible.

"The intelligent use of a Bible Dictionary is only second in importance to its character. The exceedingly fine analytical index to the International Standard Bible Encyclopaedia makes its use as easy as it is possible for the use of an encyclopaedia to be."

## Thoroughly Revised From Beginning to End

A stupendous work, scholarly and exhaustive in content. A gem of the printer's art. Typography and illustrations are of rare merit and beauty. **Photographs unsurpassed in book work. 16 Maps in colors—have a distinctiveness which cannot be appreciated until seen. Words cannot justly deseribe this remarkable work.** It is up-to-date in every detail. You cannot fully appreciate this Encyclopaedia until you have it in your home. Apply it to your individual needs. It will satisfy your desires in every way. There are no stones left unturned. Below are given only

## Six Paramount Features of This Remarkable Work

**RELIABILITY** This Encyclopaedia accepts only established truth. It refuses to yield Scripture to unconfirmed theories. Frankly conservative, it builds up rather than pulls down.

**FAIRNESS** Every phase of all subjects is treated; even both sides of disputed questions, oftentimes different contentions being upheld by different writers. Thus you may know all, and judge for yourself.

**COMPLETENESS** The Editors have striven to include everything that might throw light on the message of the Word of God. Refer to this work for anything—ask it any question, and you will get an authoritative answer.

**READABILITY** The writers are scholarly men —recognized authorities; their knowledge is recorded in simple language which may be easily read and understood by every one. Simplicity and clearness are the rule, not the exception.

**COMPACTNESS** The wealth of knowledge and information given by this work is confined within the covers of five convenient volumes. Easy to read, easy to handle; classified and indexed so as to be readily accessible. You cannot appreciate this remarkable work until you have it in your study.

**LOW PRICE** In wealth of scholarship, skill in assembling the vast store of information, and excellence of printing, binding, illustrating, etc., this is the most valuable Biblical work, yet the cost is small. **Sold to you for small payment down, and easy monthly payments.**

## 32 Page Book Sent Free

## Heaven and Mother

We sit in the glow of the light left behind;
It is quiet; her triumph we feel;
We know she is there, and the City so fair
Through her going is strangely more real.

The road now seems shorter; the haven seems sure;
The throng on the Pavement seems nigh;
Tomorrow's not distant, and heaven's not far
Since she silently swept to the sky.

And we're dreaming with joy of the greeting to be
When we too on the bright Pavement stand,
And before the White Throne, before martyrs and saints
We shall see her and hand shall clasp hand.

No, death's not the victor, the grave's not the goal;
The song of redemption we hear;
They triumph up yonder with harps in their hands,
In the land where God dries every tear.
